**English as a Second Language**

Understanding and Using English Grammar by Betty Azar

A standard textbook; focuses on grammar questions.

Writing Clearly: An Editing Guide by Janet Lange and Ellen Lange

Good review of some tricky points for learners of English as a second language.

Academic Writing for Graduate Students: A Course for Nonnative Speakers of English  
by John M. Swales and Christine B. Feak

Thorough coverage of all aspects of writing academic papers, offering tips on vocabulary and grammar along with a chapter on constructing the research paper.

English in Today's Research World by John M. Swales and Christine B. Feak

More advanced than the above book; useful for native speakers of English too. Chapters on professional genres such as the conference abstract, poster presentations, some elements of dissertations. Targets specific problems, gives exercises and models, shows how to make judgments on your own.
